To whom it may concern

I would be grateful if you would accept this letter as my support for The G.R.E.A.T Big Trust (Global Respiratory Educational Advancement Trust).

I am very aware of their great and highly commendable work. I have read the book "Trust Your Breath" which I found to be extremely helpful. Much of the advice I have taken on board and practice regularly.

I have no hesitation in recommending that any prospective funder offer the fullest of backing for the Trust.

Yours sincerely

Michael W Russell
